

Senior Construction Inspector **Brampton Office**

Position Description:

Ainley Group is currently seeking Senior Construction Inspector to join our Brampton Office. As the successful candidate, you will have experience in Municipal Infrastructure projects with a strong focus in Water and Wastewater projects.

The specifics of the position are as follows:

Responsibilities and Duties:

- Supervision and inspection of Municipal Water and Wastewater infrastructure to ensure that procedures and materials comply with plans and specifications.
- Review of shop drawings
- Responding to requests for information;
- Supervising and mentoring Junior Inspector(s);
- Liaison with Contract Administrator, Municipal Staff and Contractors;
- Organize and maintain records of materials testing, quantities, and contractor performance related to Site Instructions and Change Orders;
- Assist the Contract Administrator in preparation of electronic forms, records, Progress Quantity payment documents and other documentation;
- Keep post construction records and provide regular progress reports;
- Issuance of all site instructions/directions and related correspondence.

Qualifications:

- Minimum 10 years of experience in Ontario in the inspection and supervision of Municipal Infrastructure with a strong focus in Water and Wastewater projects;
 - CET or eligible for registration as a CET in the Province of Ontario; and/or RCSI designation;
 - Candidates must have relative experience in working with municipalities in implementing, upgrading, rehabilitation of municipal infrastructure projects;
 - Experience in the construction of Pump Stations, Reservoirs and Water & Wastewater Treatment facilities would also be an asset.
 - Excellent knowledge of municipal infrastructure construction principles, construction contract administration and scheduling and the Occupational Health and Safety Act;
 - Valid driver's license and personal vehicle.
-
